

OCTOBER 22ND, 2011
THE SANTA FE PONY CLUB PRESENTS
A CLINIC WITH
ANDREA PABEL DEANE:
INTRODUCTION TO THE TELLINGTON
TRAINING METHOD

Andrea started riding lessons at age 5 in Germany and grew up riding dressage. In 1983 she completed her professional TTEAM training with Linda Tellington - Jones and in 1987 her 4 year Feldenkrais Training. Using the philosophies and practical approaches of the TTEAM method and Feldenkrais This one day clinic is suited to all breeds, disciplines, and abilities.

These methods look at classical principles of horsemanship with a modern understanding of horse and rider. You will learn to detect the underlying causes for horses and riders difficulties and find solutions that are safe effective. Clinics focus on the overall improvement of horse & rider communication, performance, and confidence in a quiet, effective, and respectful manner.

In a clinic setting Andrea will address the specific questions and interests of the group, but always will include:

- ❖ **Basic Tellington - TTouches** for you and your horse, so the participants will go home with new hands on skills and tools to use.
- ❖ **Basic Tellington Training groundwork**, equipment, leading positions and understanding as well as navigating the playground for higher learning.
- ❖ **Riding with Awareness:** one or two Feldenkrais lessons for the rider, done in chairs or on the floor. This will improve anyone's riding ability, no matter what discipline they pursue by enhancing their body awareness, coordination, and balance.

THE CLINIC WILL TAKE PLACE AT THE ELDORADO STABLES FROM 9:00AM TO 4:30PM. 10 TO 14 PARTICIPANTS (IF THERE ARE OVER 10 PARTICIPANTS - ANDREA WILL WORK WITH AN ASSISTANT) ARE INVITED TO PARTICIPATE WITH ROOM FOR UNLIMITED AUDITORS.

**COST WILL BE \$120 FOR PARTICIPANTS / AUDITORS
\$30 FOR THE DAY**

ALL PROCEEDS FROM THIS CLINIC GO TO THE SANTA FE PONY CLUB SCHOLARSHIP FUND. THIS FUND HAS BEEN ESTABLISHED TO AID KIDS WHO NEED FINANCIAL ASSISTANCE TO PARTICIPATE IN THE PONY CLUB EXPERIENCE AND TO ENHANCE THE CLUB'S PROGRAM FOR ALL ITS MEMBERS. THE PONY CLUB WISHES TO THANK ANDREA DEANE FOR DONATING HER TIME AND EXPERTISE TO THIS CLINIC.
